State Directors	Purina® Pro Plan® brand PET FOOD The More You Give. Experience more. Pro Plan®'s dedication to pets extends far beyond the food bowl. The Pro Plan® brand was founded on a commitment to nutritional expertise because we know that giving your pet the best possible care is very important to you. We can relate. We've shared in the joys of pet ownership as well, the exuberant greetings, the understanding eyes, the never ending loyalty of pet companions touch our lives every day. Our passion for pets turned to compassion when we started Purina® Pro Plan® Rally to Rescue®, a mission to help give rescued pets the nutrition and care they need and the loving homes they deserve. We also take strides to support breeders' clubs that help the pet community thrive via the Purina Pro Club®. We encourage you to do more by getting involved with these or other pet-related programs.
